TO: Mayor and Councilmembers

FROM/PHONE: Mark Kutney, AICP, Development Services Director/(954) 797-1101

SUBJECT: TU 2-2-02, International Flag Football Federation
Bamford Sports Complex, Pine Island Park

AFFECTED DISTRICT: District 3

TITLE OF AGENDA ITEM: Temporary Use Permit for World Cup of Flag Football

REPORT IN BRIEF: The applicant is requesting approval of a temporary use permit in order to conduct a four (4) day event from Thursday, February 21 through Sunday, February 24, 2002. All activities will be conducted within Pine Island Park at the Bamford Sports Complex. The applicant's event consists of an Olympic-style opening ceremony, local youth pee-wee flag football game, men's championship game, the Miami Herald Bud Girls vs. Flagmag Girls Playmaker Exhibition game, and post-game awards. In addition, the applicant requests to utilize three (3) tents and have a Zambelli fireworks finale. The parking on site has adequate capacity to provide for the event, certificates of flame retardance for the tents have been provided, and both the Fire and Police Chief have reviewed the Zambelli fireworks display and issued a permit. As a condition to the fireworks permit, the applicant is required to meet with the Fire Marshall on site at least three (3) days prior to the event, and the Fire Department has been retained to provide standby firewatch services.

Section 12-319 of the Land Development Code requires that three (3) criteria be met for temporary use permits:

- (1) Any nuisance or hazardous feature involved is suitably separated from adjacent uses;
- (2) Excessive vehicular traffic will not be generated on minor residential streets; and
- (3) A vehicle parking problem will not be created.

Staff finds that the World Cup of Flag Football event will be suitably separated from adjacent uses, there will be no traffic generated on minor residential streets, and a vehicle parking problem is not anticipated.

PREVIOUS ACTIONS: None

CONCURRENCES: Both the Fire and Police Chief have reviewed the event, received all required documentation, and have no objection to the request.

FISCAL IMPACT: None

RECOMMENDATION(S): Motion to approve

Attachment(s): Justification letter, Site plan, Fireworks Permit, Land use map, Subject site map, Aerial

REASON FOR TEMPORARY USE PERMIT REQUEST

The World Cup of Flag Football will be held at Davie's Bamford Sports Complex in Pine Island Park. Five Regional Qualifiers were held this fall for teams to qualify to play in this international event.

February 21 & 22 (Thursday & Friday) will host approximately eight (8) men's teams and five (5) women's teams for the World Cup. The World Cup is the international competition, where teams compete to be the best flag football team in the world. Team USA will compete against teams from Brazil, Canada, England, France, Italy, Israel, Mexico, New Zealand, Pakistan, Switzerland, and Venezuela. The finals for the men's competition will serve as the "kick-off" for the World Cup Invitational. The World Cup Finals extravaganza will be held Friday, February 22 from 7 pm - 11 pm at the main field in Bamford Sports Complex.

The World Cup Finals extravaganza will feature and Olympic-style opening ceremony, a local youth pee-wee flag football game, the men's championship game, the Miami Herald Bud Girls vs. Flagmag Girls Playmaker Exhibition game, post-game awards, and the Zambelli fireworks finale. We will have limited access to the park, as upon entry a \$5 donation is *suggested* to benefit local children's cancer charities and the Miami Project. There will be give-aways, raffles, and prizes throughout the evening.

The World Cup Invitational will begin Saturday, February 23, and conclude on Sunday, February 24. This tournament will host close to fifty teams in international competition in 3 styles of play (8-man, 7-man, and 4-man). Most of the teams will be staying at the Best Western Rolling Hills Resort, except those who are South Florida residents, so parking will be minimal.

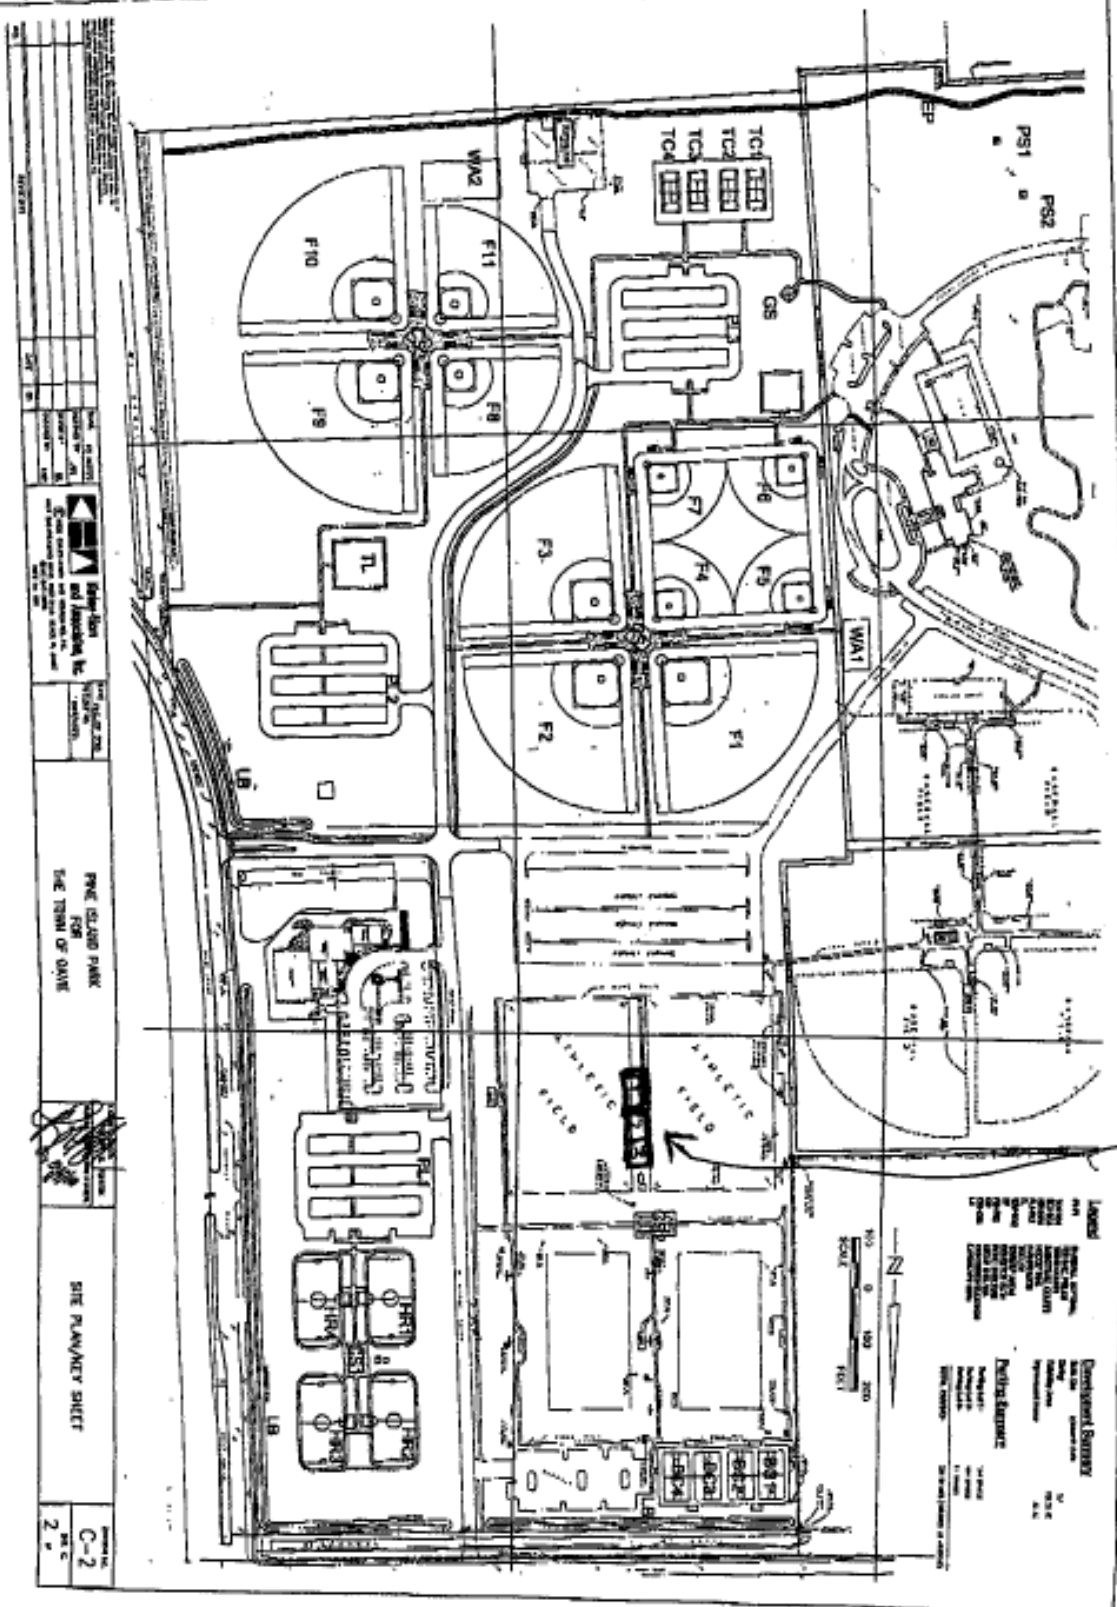

We are considering making this event an annual one in Davie, pending the outcome of this year's events. We are really trying to get the local community and local charities involved (as earlier noted), and Team USA will be out in the streets and on the radio promoting local businesses and inviting everyone to come support us Friday night at the World Cup Finals.

Our shuttle-bus plans fell through with the hotel, as they have airport pick-ups and prior commitments. We are trying to arrange shuttle transportation for the athletes (that they would pay one price for the whole weekend, like \$15 or \$20) between the hotel and Bamford Sports Complex. This will minimize parking on-site at the complex.

This is basically a tournament, where we are trying to create an Olympic-Festival-type atmosphere. We look to the community to embrace this event to make it their own, and support the hundreds of international athletes who will travel here to compete. With US teams that will be in attendance, the Davie economy alone will benefit from our presence.

Thank you kindly for your consideration. Any further questions or concerns can be addressed by Kodi Wilson at 847-239-6744.
